Subject: Stop Unfunded Mandates that Increase Cost of Homes

External Email

This code package would increase the up-front cost of a new home by a minimum of \$24,070 and price-out 52,954 families from homeownership.

Please vote to remove the costliest proposals (032, 058, 059, 060, 062, 063, 065, 066, 079, 080, 089, and 091) from the final Group 2 code package. At a time when Washington is already pricing 85% of families, we simply cannot afford to pass these codes.
